

Mrs. Otte's Weekly Update

End of 1st Quarter Special Edition

Sara

Constellation: Virgo
"My favorite thing I learned would be the myth because I learned how it "got" to the sky."

Jacob D.

Constellation: Draco
"My favorite part was learning about the Myth."

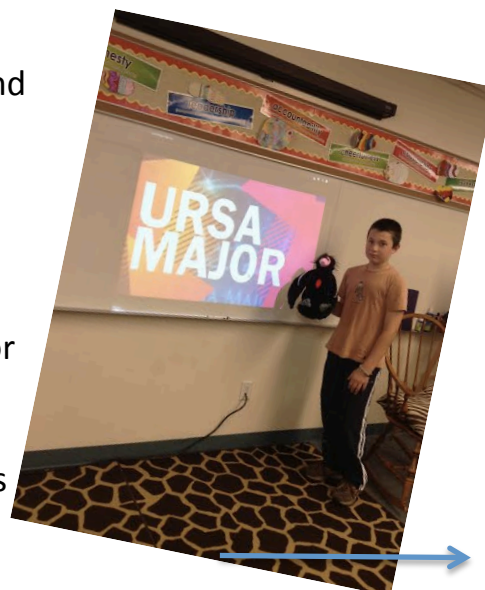

Colin

Constellation: Hydra
"My favorite thing was that it is the largest constellation."

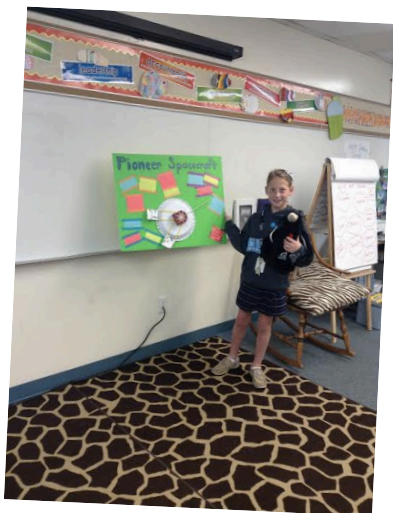

Payton

Constellation: Libra
"It is one of the twelve Zodiac constellations and in Latin it means the weighing of the scales."

Owen

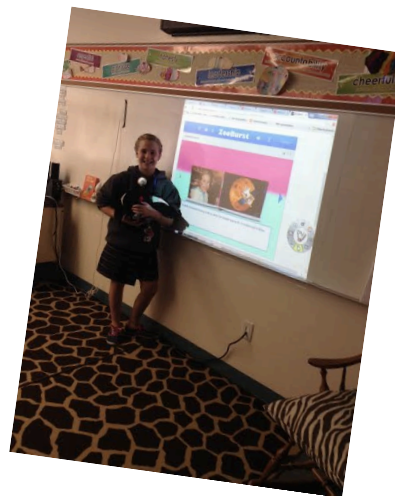

Constellation: Ursa Major
"The big dipper was in it and so I chose it for my project. The big dipper is a cluster of stars."

Hannah

Spacecraft: Pioneer 10

“My favorite thing about my spacecraft is that it is lost in space and that it was the first spacecraft to go to the outer planets.”

Emily

Spacecraft: Magellan

“I love that this mission was to Venus, and it found out that Venus is 85% covered in volcanic flows.”

Things to celebrate:

THE FIRST QUARTER WENT WAY TOO QUICKLY! I LOOK FORWARD TO THE SECOND QUARTER WHERE WE WILL BE STARTING TO LEARN ABOUT FRACTIONS, HISTORICAL FICTION, THE SACRAMENT OF EUCHARIST, THE EARLY NATIVE AMERICANS, THE MAYAS, THE AZTECS, AND THE INCAS, AND FORCE AND MOTION. WE ALL HAVE SUCCESSES TO CELEBRATE. STUDENTS WILL BE SHARING THOSE WITH YOU AT CONFERENCES AS WELL AS THEIR GOALS FOR THE REST OF THE YEAR.

*Hannah, Sara, Jacob D, Emily, Kyle, Tyler, Owen, Thomas, and Payton turned in every assignment in on time! No missing work for them. 😊

*Kyle, Colin, Thomas, and Payton had their planner signed every day this quarter! WDW!

*As a class we read 42 chapter books and Hannah read the most with 8 books this quarter. We were reminded that our classroom goal is 400 books! We can do it.

*Hannah, Sara, Jacob D, Colin, Tyler, Sophia, Owen, Thomas and Payton had perfect attendance!

*On [tenmarks.com](https://www.tenmarks.com) our class answered 109 out of the 120 questions correctly! That is 91%

*Emma, Hannah, Sara, Sophia, Payton, and Emily joined Mrs. Otte for a fun lunch and game. Boys will have lunch 2nd quarter.
